

Pool Opening Update:

1. Per recent information received from the Knox County pool inspector, **all HOA neighborhood pools will remain closed until further notice**. The Board has not received an official startup date, nor have we received any updated rules/regulations. It is currently awaiting a decision from the mayor's office. The HOA Board continues to adhere to the Covid-19 restrictions enacted by Knox County leadership.
2. Once an opening date is announced we will still require a minimum of **2-weeks** to perform the opening checklist including any policy changes per the Knox County Health Department.
3. The Board has no control over the timeline to the opening of the pool as it is based on the decision by Knox County.

We appreciate your understanding and ask that all residents continue to remain patient.
