

Pool Opening Update 4

Falcon Pointe Residents:

Following up from our last communication date May 21, 2020. The Board recently received additional information from Knox County in relations to recent announcement of **Phase Two of Knox County/City of Knoxville Reopening Plan** that started May 26th. Members of the Falcon Pointe Board and Pool Committee have been hard at work preparing the pool complex for use this summer. The pool is on schedule to open **on Monday June 15, 2020** with specific restrictions and guidelines in place as required by the Knox County Health department to maintain social distancing and impede the spread of COVID-19. The Falcon Pointe HOA board has reviewed these requirements as they apply to our facility and intend to comply - in that vein there will be specific restrictions implemented this 2020 pool season.

Knox County/CDC Requirements:

1. Please adhere to the Knox County Health Department COVID-19 guidelines outlined in the link below:
<https://www.cdc.gov/coronavirus/2019-ncov/community/parks-rec/aquatic-venues.html>

Additional Restrictions (applies to the 2020 Pool season only):

1. NO OUTSIDE GUESTS (non-Falcon Pointe residents) will be allowed at the Falcon Pointe Pool.
2. The HOA will provide supplies and will also request that residents bring their own to use as supplies are limited.
3. Adjusted Hours of Operations (Monday Closed) Tuesday – Sunday 8am – 8pm* (Subject to change)

PLEASE REFER TO THE POOL COMPLEX RULES FOR DETAIL
